

*Construct two turnpikes, re-establish tread and build soil and water erosion controls along the Continental Divide National Scenic Trail in Rocky Mountain National Park.*

*Improve fish habitat by stabilizing the Fraser River with willow plantings and shoreline erosion control measures.*

*Construct a bridge on the South Fork Loop Trail in the Idlewild Trail System in Winter Park.*

**September 27, 2014**

*Join us in celebrating 50 years of the Wilderness Act and Grand County's 20th NPLD Event!*

*Get down and dirty by repairing tread, removing rocks, reseeding and smoothing out trail surface along a mile stretch of the Creekside Trail near Fraser, CO.*

Meet us at the Inn at Silvercreek for a fun-filled day. All meals provided including a catered dinner with live music.

Registration begins at 7:00a.m.
